Rental Procedure

If you are interested in renting this apartment, you will first of all need to complete an application form, available from our Eckington office. Each person who is going to live at the property will need to complete a separate form and returned to us with the referencing fee of £100 which is none refundable in any event.

We use the services of a referencing company who will contact your employer or accountant if you are self employed. If you are not registered on the voter's roll they will need two forms of ID instead. They also run a credit check on each applicant.

If the application proceeds, a date is confirmed for you to move into the property, and you will need to have paid in cleared funds, the first month's rent plus the bond.

Please ask for further details.
